General Comment

This government is supposed to be 'Of the people, By the people and FOR the people'. Never in the halls of US history has it ever been - of the politician by the politician and for the politician. These same politicians have destroyed the wealth of the greatest nation on Earth and now they want to delve deeper into my own personal financial affairs. It is time to STOP the stupidity of congress and the stupidity of the president. Tell them to get their own houses in order financially and leave mine alone! Trading options in my retirement account is an important option for me.

The tax money they are not getting from these retirement accounts is but a grain of sand on all our Atlantic beaches combined compared to what the fiscal irresponsibility of all our federal politicians is doing to our national financial welfare. This is supposed to be a democratic society here in the US, not a socialistic society. Mr president - - - mind your own business. I want to be able to trade options in my retirement account if I so desire.

STAY AWAY FROM MY FINANCIAL AFFAIRS AND DON'T YOU DARE RAISE TAXES TO COVER YOUR INCOMPATANCE.
